Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450PETITION TO REVIVE APPLICATION UNDER 37 CFR 1.137(a)

Applicants respectfully request the revival of the above-identified patent application under 37 CFR §1.137(a) as being unavoidably abandoned for failure to timely pay the required issue fee in response to the Notice of Allowance mailed May 20, 2005 by the three-month deadline of August 22, 2005.

Accompanying this Petition are two copies of Part B of PTOL-85, a facsimile cover sheet, facsimile transmission report, and an Auto-Reply Facsimile Transmission, all dated June 28, 2005.

The Commissioner is authorized to charge the Petition Fee due under 37 CFR §1.17(l), and any other fees which may be due, to Deposit Account No. 501-791.

Application No. 10/675,711
Petition dated November 3, 2005

REMARKS:

Applicant assert that the entire delay in filing the issue fee from the due date thereof until the filing of this Petition was unavoidable.

More specifically, Applicant received a Notice of Allowance and Fees Due dated May 20, 2005 and listing (703) 746-4000 as the telephone number to which the issue fee should be submitted. On June 28, 2005, Applicant faxed Part B of PTOL-85 to (703) 746-4000, with a cover sheet identifying the application and contents of the facsimile. Applicant received both a transmission report from our facsimile machine and an Auto-Reply Facsimile Transmission both confirming successful transmission of the issue fee. Thus, Applicants attempted to, and indeed believed we had, properly submitted the issue fee. Copies of these documents are attached hereto.

Therefore, Applicants believe that the entire delay in submitting the issue fee has been unintentional.

Respectfully submitted,

By:
